To Whom It May Concern

This is to certify that English is the official language of study, instruction and examination in the School of Medicine at Mutah University.

Furthermore, all elements of course, including clinical activities, were taught and examined solely in English, and more than 75% of clinical interaction including personal contact with patients, their families and other health care professionals, which took place as part of the course of study was conducted in English.

Sincerely,
Prof. Sa'id Mohammed Aldall'en

Dean, Faculty of Medicine
Mu'tah University
