Introduction

In line with the vision of Mutah University and Language Center, this conference entitled "*Teaching Foreign Languages a Basis for Cultural Communication: Reality and Contemporary Challenges*", will be held about the importance of teaching foreign languages a basis for cultural communication. It will bring together researchers, educators, scholars, instructors, practitioners, and graduate students from around the world to discuss issues on research, pedagogy, and practices of teaching Arabic to native and non-native speakers, new realities and challenges in teaching English, and French, Arabic for speakers of other languages at the university level. Theoretical and applied linguists, educators, administrators, teachers, curricula, and material developers are welcome to participate.

The conference will be a platform for sharing research, experiences, insights, teaching tips, and more.
